Lapbook

by Becky Emerick

Tips

- For tips on putting together a lapbook, visit this blog: <http://www.confessionsofahomeschooler.com/blog/2013/03/how-to-make-a-lapbook-video-tutorial.html>
- A “**Memories**” pocket will be made to store 4x6 photos that you take and print out during the lessons.
- It is recommended to **memorize** the Psalm as you go along, adding just the phrases from the copywork lessons.
- **Songs** are suggested each day. You can find all the songs online or purchase them through an online store.
- The **lapbook** will be assembled on the last day. A gallon sized ziplock bag works well for storing completed projects until the end.
- The **Coloring Book** pages can be printed, cut out, and stapled together on the side. It’s suggested that children color wherever they want in the coloring book while the adult is reading from Duncan’s Journey.
- **Copywork** is suggested daily. Print out the pages for the children to copy onto the copywork tabs.

Footprints in the Sand

One night a man had a dream. He dreamed
he was walking along the beach with the LORD.
Across the sky flashed scenes from his life.
For each scene he noticed two sets of
footprints in the sand: one belonging
to him, and the other to the LORD.

When the last scene of his life flashed before him,
he looked back at the footprints in the sand.
He noticed that many times along the path of
his life there was only one set of footprints.

He also noticed that it happened at the very
lowest and saddest times in his life.
This really bothered him and he
questioned the LORD about it:

"LORD, you said that once I decided
to follow you, you'd walk with me all
the way. But I have noticed that during
the most troublesome times in my life,
there is only one set of footprints.
I don't understand why when I needed
you most you would leave me."

The LORD replied:
"My son, my precious child,
I love you and I would never leave you.
During your times of trial and suffering,
when you see only one set of footprints,
it was then that I carried you."
